## Healing Nations Spring 2019 Highlights!

### Happy Easter! He is Risen!

*"I am the resurrection and the life. He who believes in me, though he may die, he shall live. And whoever lives and believes in me shall never die. Do you believe this?" John 11:25, 26*

*1 cross + 3 nails = 4 given.*

*Christianity begins where religion ends...with the resurrection.*

It's Spring time! Spring being a tough act to follow, God created June. Spring time for us at Healing Nations is a welcome opportunity to get outdoors, enjoying the weather and prepare for a busy summer.

There is a wonderful excitement from students and leaders as we prepare for our summer activities. Students are anticipating new and fun experiences. As leaders, we see great opportunities to connect on a deeper level. We have always been amazed at what God can do in a young life at camp, on a mission trip and even a swim party!

Our students seem to struggle on so many levels. The needs can be overwhelming at times. Yet, we are reminded God is ever present in our time of trouble. It is our desire to build deep meaningful relationships with our students as we share God's love and ultimately leading them to a personal meaningful relationship with Jesus Christ.

Camp, mission trip and swim parties are awesome opportunities to build lasting relationships. Please join us in prayer for God to anoint those special moments and for God's provision in the finances.

Please prayerfully consider sponsoring a student for camp or mission trip. Thank you for your generosity and encouragement!

Together we can do great things." Mother Teresa***

**We have an exciting summer planned with camp, mission trip, pool parties and more. Would consider helping out financially with a gift to sponsor a student or giving to the general fund?**

**Take a look at what we doing this summer and ways for you to help.**

## **Jr. High Summer Camp - 6/17-21: Inside Out...Learning To Live Life Loved From The Heart**

We are taking 12 Jr. High students to Sunset Campground in Watsonville (just above Sunset Beach) .

We will be joining Ceres Christian Church Junior High Camp at Sunset Beach.

(sleeping bags, tents, mosquitoes, sand, sunsets, memory verses, camp fires & s'mores)

Each day will be filled with team challenges, activities, games and great food. We will end each day with a special time of worship and message on the beach. And a special treat!

We will spend one day at Santa Cruz Beach Boardwalk.

***The entire cost per student is only \$200.00 & includes a camp sweatshirt!***

(Only one of our students have been to Santa Cruz ...you can be sure they are excited!)

# INSIDE OUT

## **High School Mission Trip – July 13-20: Navajo Christian Foundation, Dilkon AZ**

Our mission will be assisting in youth ministry, children's ministry, putting on a VBS for the Dilkon community and assisting with projects on the Navajo Christian Foundation Campus. Students will be immersed in the Navajo culture and have an opportunity to visit Canyon De Chelly. The distance from Modesto to Dilkon is 777 miles and requires a full day of travel. (a great time to bond with students). We memorize 1 Corinthians 13, *the whole chapter*, during this trip. Students will also be given some intentional down time to spend in God's Word. The beautiful landscape offers a wonderful backdrop of God's majesty

***The entire cost of the mission trip is \$475.00***

***(includes all lodging, meals, transportation, sightseeing and incidentals)***

***Last year 3 students participated. This year we hope to have 6 students on the mission trip.***

***\$104.00. Many people are surprised at that number. \$104.00 is the daily expense to run Healing Nations. It covers everything from rent, insurance, transportation, administration, meals, bibles, curriculum, school supply closet, cleaning supplies, felt needs, family support and and more. What it doesn't cover is the cost of camps, mission trips and retreats.***

***Often finances limit what we are able to do in meeting needs. Yet, if we can cover our daily expense we can confidently continue to reach out and grow. We are launching a fund raising campaign titled "25/50/100 Club"***

***We are asking you to commit to one year of giving \$25.00 or \$50.00 or \$100.00 per month to help us project our finances. We will send you a CrossTracks T-shirt and a surprise or two to say thank you for supporting us.***

***Giving can be done on-line at: [healingnationsmodesto.org/specialevents](http://healingnationsmodesto.org/specialevents) or by sending a check to: Healing Nations, PO Box 3395, Ceres CA 95307***
